Leggero, sottile e veloce da montare, si muove nello spazio agilmente. 100% "Made in Italy", personalizza gli ambienti in modo dinamico e soddisfa la crescente necessità di flessibilità della vita contemporanea. E' un tavolo nomade, un arredo prezioso ed elegante, quasi minimalista, con finiture tecniche, materiali all'avanguardia e soluzioni tecnologiche innovative.

*Lightweight, thin and fast-mounted to nimbly move in space. Strictly "Made in Italy", it customises the interiors dynamically and meets the increasing need for flexibility in modern lifestyle. It is a nomadic table as well as a valuable and elegant piece of furniture, almost minimal style, featuring advanced technical details and innovative technological solutions.*
