

COKE ITS ME_P.A.

2015

60 cm diameter, 180cm high

Stainless steel mirror finished by hands

Daniele Basso

COKE ITS ME is passion and happiness. It is the taste and the emotions that, born in the suburbs in Atlanta, have invaded the world of smiles! It's the Contour bottle that comes to life! A "Enjoy" casting with folds and edges in mirror steel. A kaleidoscope of lights and shadows that reflect us that we become the protagonists of the Coca-Cola spirit! All protagonists of this amazing success! We are Coca-Cola ... COKE ITS ME!
