Trophies are a metaphor of passion, sports and beauty, they represent champion feats set in the charming surroundings of majestic Badiote Dolomites.

They celebrate the magic of snow that turns into ice through Swarovski crystal. All the colours and wonders of Alta Badia are embodied in the purest crystals for you to rediscover.

Swarovski® has been supplying crystals of unmatched quality, craftsmanship and creativity since 1895. They have become essential ingredients in the worlds of fashion and accessories, from jewellery to interior design, but also modern design and art.
