

BaBau

2023

20x37 cm, h24cm

Stainless steel mirror polished by hands and blue nylon.

Daniele Basso

He is the man's most faithful friend.

There are many of them, each with their own character, but when they are cared for with love, they all are ready to give themselves up for their owner. They return love, parties and lots of attention with heart warming. I arbitrarily chose a rough-coated dachshund for his sympathy... To each choose their own!
